

Giles County School System is excited to offer in-person summer learning camps free of charge to our students. The intent of the camps is to bridge learning gaps created by the pandemic. The camps will be offered during the month of June to students currently in grades K-8. The six-hour camp day will focus on reading and math instruction with additional time for physical activity and hands-on learning opportunities. The school system will provide meals and transportation.

Please complete this form to indicate your interest in participation. If there is more demand than seats available, we will prioritize enrollment of students who are struggling academically.

Enter the following link in your browser or use the QR code to complete the form! [tinyurl.com/GilesSummerLearningCamp](https://tinyurl.com/GilesSummerLearningCamp)

Please complete a separate form for each child who may attend.

This form will close on April 2, 2021.
